

GISY_OFFICIAL

Community Moderator

EXPERIENCE

Community Moderator. 2023-2024

ELLO QUEST COMMUNITY MODERATOR.

Together with my team, we successfully boosted user engagement by 24%, implemented strategies that increased membership by 51%, and enhanced community visibility, leading to a 18% rise in organic participation and solidifying our position as a Web 3.0 authority.

Chat Moderator. 2020-2022

VEKTOR HUB LIMITED

In six months, I increased community membership by 47% through engaging Web3 discussions and activities, facilitated conversations that positioned Vektor Hub as a leading voice in the Web3 space, and implemented strategies that boosted active participation by 36% and enhanced user interaction metrics.

About Me

With over three years of experience as a community moderator, I have successfully managed and nurtured vibrant online communities. I have served as Community Moderator for Ello'Quest and as a Web3 Community Moderator at Vextor Hub, ensuring positive interactions and engagement. My background in content creation and research within the Web3 and Crypto space has improved my ability to maintain community standards and enhance user experience. I am open to opportunities to contribute and grow dynamic online communities.
